

CGP Alumni Mentoring Program

The **CGP Alumni Mentoring Program** is designed for students and alumni from our Master programs International Relations Online and East European Studies Online. As a mentor you are asked to support one student for an individually agreed time during his /her studies at the CGP. The Alumni Manager of the CGP will assist you with materials, networking opportunities and on-going support throughout the mentorship.

Are you interested in joining the program? Please fill in the **Mentor Registration Form** which gives us the necessary information for the matching process:
