

Freie Universität Berlin International Master's Programs 2009-2010

Do you want to enhance your career with a Master's degree in International Relations or East European Studies? The Center for Global Politics seeks qualified candidates interested in advancing their international careers.

The Center for Global Politics houses the award-winning Freie Universität Berlin's academic programs directed by Prof. Klaus Segbers. The flagship programs of the Center for Global Politics are the M.A. in East European Studies Online and the M.A. in International Relations Online, each fulfilling 120 ECTS credits. Applications for fall 2009 are now being accepted.

Program Highlights

- English language coursework attracting an international community
- Staying on the job while working towards your degree
- Bridging the classroom with real world issues through field research
- Rewarding in-house classes in Berlin, Germany supplementing online modules
- Fellow students with diverse professional experience and backgrounds
- Faculty from a broad array of international institutions

East European Studies Online (www.ees-online.org)

With E.U. expansion and a rapidly changing Europe, our program puts students at the forefront of this dynamic international arena. Our accredited interdisciplinary M.A. program prepares students for high-level Eastern Europe-related assignments in business, public sector, non-governmental and international organizations. East European Studies (EES) Online was recently named a Top Ten International Master's Degree Course in Germany.

International Relations Online (www.ir-online.org)

With globalization on the rise and a multitude of issues affecting today's world, individuals with international expertise who understand global culture and communication are in high demand. Candidates in the M.A. program gain in-depth knowledge of International Relations enabling them to tackle global issues with a balance of hard and soft-skills. The degree gives candidates top-tier academic credentials for the international job market.

Application Requirements

- Bachelor's, undergraduate degree, or equivalent
